Tickets to Barnstormers Game

**Proceeds from the
Tournament benefit the
Lancaster Family YMCA!**

The Wiffle Ball Tournament will benefit the Lancaster Family YMCA's Summer Learning and Enrichment Programs. All kids benefit from new experiences in the summer, but not all kids have access to quality, affordable programs where they can learn and grow during the summer months. More than half of the achievement gap between high-income and low-income children is attributed to a lack of summer enrichment opportunities.

The YMCA is providing solutions to this issue through enriching summer day camps at Y branches, and day and overnight camps at YMCA Camp Shand - programs that are available to all children, regardless of their ability to pay.

In 2016, 403 children attended summer day camps at YMCA branches and 658 children attended day and overnight camps at YMCA Camp Shand. \$105,467 in financial assistance made possible by donors and supporters of the Y was given to 391 children so that they could attend Y summer camp.
