Upcoming Changes to our City Center YMCA I-Zone and Child Watch Program

Dear Y Families,

As a YMCA our goal is to provide support to our community through youth development, healthy living and social responsibility. We have assessed the needs of our community and are happy to announce we will be expanding our Kindergarten readiness program starting this 2017-2018 school year. Starting August 14th our I-Zone will be going through a transformation and prepping for the new Pre-K students that will be arriving on August 29, 2017.

Our I-Zone program is designed to support families by helping parents take time for themselves to improve their health and wellness goals, while knowing their children are in a safe, nurturing and enriching environment at the Y. We will be continuing this program but are adjusting the location to accommodate the growing needs of the facility. Starting August 14th the I-Zone will be relocated to the Enrichment Space located within the 2nd floor office suites. Along with this transition we will be providing a more structured environment. Below is a list of additional details regarding this change.

Location Change

Office Suite Area on the 2nd floor or Gym

Schedule Changes

Monday: 5 pm to 7 pm

5-6 Enrichment Area

6-7 Kids Gym

Tuesday: 5 pm to 7 pm

Things to know

- If your child is 6-12 years old and is signed into the Child Watch program on the 1st floor they will be relocated upstairs to I-Zone program.
- When the I-Zone program has ended all children will be relocated to the 1st floor Child Watch area.
- Video games will no longer be a part of the I-Zone curriculum.
- The Child Watch area on the 1st floor will be supplied with more age specific supplies and materials to support children ages 6 to 12 years of age.

We hope these changes accommodate all of the needs of our YMCA members however, we understand that these changes may not be beneficial for everyone. We encourage your continued feedback on the Child Watch program and ideas on how the Y can better support families in building strong, healthy connection with the community.
